“During the first few years in school, a child must master the basic skills, or he will have no foundation on which to build.” —

-Mae Carden

Congratulations to Adrian Martinez for placing 5th in the long jump and the 100 meter sprint. Adrian competed against the top track athletes in Fresno County last week. Way to go Adrian!

A BIG THANK YOU!

A great big thank you to Mrs. Janet Morgan for joining the 6th grade class on their trip to Yosemite last week. Mr. V. said that a fantastic time was had by all and that Mrs. Morgan was a tremendous help. How lucky we are to have parents like Mrs. Morgan that not only step up to the plate in a pinch but then also contribute in such a spectacular way!

Visit From Mrs. Zbrog

Our Master Carden Consultant, Mrs. Zbrog, will be on campus the week of May 18th. She is a tremendous asset to our school and helps to make certain that everyone is continuing to receive regular and updated Carden training. Be sure to say hello when you see her.

FAMILY SPRING PICNIC

This Friday, May 15th be sure to join us for the Family Spring Picnic hosted by our very own Parent Club. Bring your blanket and your picnic dinner and come enjoy the company of other Carden families, face painting, a family entertainer, a special performance of polka and square dancing by our own students, and an ice cream sundae bar. The time is 5:30-8:00p.m. Don't miss out on all the fun!

Kindergarten has been busy preparing for the first grade. The students continue to work on their reading and math skills each and every day. Our morning dictation gives the students daily practice with writing and math. We spent the last month studying the life cycle of the Painted Lady Butterfly. We received five caterpillars last month and we had twelve pairs of curious eyes studying the transformation as the caterpillars changed into chrysalides and then into beautiful butterflies. On Friday, we released our five butterflies outside of our classroom. Kindergarten is a busy place!
