AGREAT BIG THANK YOU!

What a great time everyone had at our annual Harvest & Halloween Carnival. None of it would have been possible without the tireless efforts of Mrs. Courtney Smith, Mrs. Rebecca Rico and the dedicated group of volunteers who made everything about the evening fun and entertaining. The food was delicious, the games were lots of fun and the science bus was amazing! It was wonderful to see all those that came. A special thank you to everyone that participated in the silent auction, especially Mrs. Joyner and Mrs. Rhodes for their contributions! Laleh Stefanacci has some kind of mind that allowed her to win for the 2nd year in a row the guess "How Many Candy Corn Candies" game. Must be that Carden science and math curriculum! Congratulations!

WELCOME NEW STUDENTS!

We have some new faces on campus we'd like to welcome to our Carden Family. In our JK4 and 5th grade classes we welcome Alex and Shaan Grewal. Also new in the JK4 program are Gogod James and Shanelle Relucio. In the 6th grade Monique Virk has joined us and in our 7th grade class we welcome Joe Syverson. Finally, welcome back to Oliver Sohn who is in our kindergarten program. We are so happy to have all of you here!

WASC VISITING COMMITTEE IS COMING TO CARDEN

For four days, beginning November 15, we will be having the Western Association of School and Colleges Accrediting Commissions for Schools (WASC) visiting our campus. The faculty, staff and WASC committee, led by Dr. Paul Stefanacci, have been working hard to prepare for this important visit. After a year and a half of hard work, our self study document has been completed. David Brown, the Executive Director of WASC believes, "WASC values accreditation as a process designed to strengthen schools in the delivery of quality educational programs. Accreditation is important to schools as it impacts students' access to colleges and universities and career opportunities in a variety of ways. An effective WASC self-study review is a powerful tool for schools to improve the quality of education and more effectively serve staff and students." If you'd like to become more familiar with WASC, please go to their website at www.acswasc.org.

PARENT/TEACHER CONFERENCES

At the end of the first quarter, we feel it is important that the teachers have an opportunity to discuss the progress of each child with the child's parents. October 30 has been set aside as Conference Day. Your child's teacher has notified you regarding the time reserved to discuss the first quarter report card. If you are unable to meet this time, contact your child's teacher as soon as possible to set up another appointment. There will be no school that day and therefore no ESD. Conferences are for parents only. Please be sure to make arrangements for child care since children may not be left on campus unattended at any time during a conference.
