

Dear Carden Parents,

We welcome new and returning families to Carden School of Fresno. This is a unique school where the mental focus on learning builds confidence in a child, which allows them to thrive and learn. They are taught that this is a motivation that comes from within. As the Carden Parent Association, our main focus is to support our students' academics by arranging social events for the children and their families. Our parent association is also responsible for organizing active and passive fundraisers. Consequently, families will have many opportunities to help by participating in our efforts.

With this letter we would like to first call your attention to one passive fundraising opportunity:

1. **Box Top for Education App** -- The school will earn \$0.10 per box top just by using an app to scan your grocery receipts.
  - a. Download Box Top for Education app
  - b. Scan your receipt on the Box Top for Education app
  - c. Click on Credit, input classroom grade.
  - d. Click submit.
  - e. Invite your friends and family to download the app and earn extra points on their first scan for the school.
  - f. Our school's lifetime earnings: \$6,176.06. Let's earn even more!

We also would like to present our parent association supported school events!

**Monthly:** Staff Lunch and Social Events

If you would like to take part in our Carden Parent Association, the first meeting will be on August 25, at 8:05am near the basketball courts. Beginning in October, the meetings are scheduled on the first Friday of each month after drop off. Finally, any changes to the dates or times above will be posted on the Carden newsletter or Facebook CSOF parent page.

All Carden parents are welcome and encouraged to attend the monthly CPA meetings. The CPA is a great way to get engaged with other parents and get involved with the school. As a bonus you will also receive 1 Parent Volunteer Hour (PVH) for attending.

Thank you for supporting our children and our school!

Respectfully,

Eric Simonians, Lead Coordinator

and

The Coordinators of Carden Parent Association
